Principal

**The only way we succeed as a group is not simply following directions,
but in keeping each other accountable for our actions.'**

From the Principal's Desk

When Jawaharlal Nehru addressed the nation for the first time, little did we know that in a short span of about 75 years, our country will move forward to become one of the fastest growing economies and the most promising countries of the world.

The world has changed a lot, but one thing has not, - our commitment to achieve an educated and evolved country! With the turn of the calendar, the commitment to take the school to greater heights is more firmly established. New energies, new blood pumped into the system brings a fresh thought and a paradigm shift is being foreseen. Undoubtedly, this would require hard work, perseverance and a firm belief in the adage 'Yes, We Can', but we are committed and with a firm resolve, would move forth to accomplish the vision of our preceding stalwarts who set the tone and tempo for performance.

Any institution works smoothly and attains recognition and its place on the ladder with team-work and mutual trust. The parent body is an integral part of this trajectory. Their continued involvement, collaboration and motivation to the student community will lead to the accomplishment of personal as well as school goals. Newer and more innovative ways of collaboration need to be evolved and implemented. To attain this, the institution is committed.

To the students, I have but one message to give. Dream big and work towards your goal. We, at Guru Harkrishan Public School strive to see your beginnings culminate in unparalleled success. You stepped into the portals of this great institution with lofty aims and exalted aspirations. I assure you that your ambitions will be accomplished through the able guidance of the highly accomplished and experienced faculty of teachers.

To conclude, I would like to reiterate my belief with this quote by Henry Ford: If everyone is moving forward together, then success takes care of itself. So let's all join hands to take off on this journey to higher orbits of excellence.

In the Memory of Struggle and Sacrifice of Countrymen during Partition

On the occasion of Partition Horrors Remembrance Day, Guru Harkrishan Public School, Sri Ganganagar launched an exhibition showcasing sufferings of people during the partition of India.

The day is observed across the country as a black reminder of the atrocities of partition. Pakistan was partitioned and millions of non-Muslims faced atrocities, persecuted and brutally massacred as they were deported from Pakistan.

It's a pleasure to keep open the art gallery which showed the sufferings of many Indians during the partition. The exhibition was inaugurated by the Principal M S Wig.

"Never doubt that a small group of thoughtful committed citizens can change the world; indeed, it's the only thing that ever has."
