# Proud to be a GHPSian...

“ I have been a student of GHPS since kindergarten. Teachers here are very humble, understanding, compassionate and supportive. They have taught us how to balance academics with extracurricular activities as both are key to strong personality enhancement. The school has shaped me into a person that can face any challenge in life. It has given me the best of friends who are like family. I'll always cherish the time spent and memories created here. GHPS will always hold a special place in my heart. Proud to be a GHPSian. ”

“ GHPS played an important role in shaping my career as I stand today. The guidance and impeccable learning imparted by the staff truly prepared me to face the umpteen challenges in life and come out shining. I always cherish my time spent here and am forever grateful to the excellent and experienced teachers at GHPS who focus on 360 degree development and inculcate life changing skills along with high quality education. ”

“ My journey with GHPS is definitely the one I will cherish for my lifetime. GHPS has been an integral part in shaping me to become the person I am today. “ My journey with GHPS began when I was just 3 years old, I have grown, learnt and reached where I am today in life with an undoubtedly stimulating environment a child can be nurtured in, Principle sir and all my faculty have effectively guided to believe in my dreams and made me who I am. Apart from academics the co curricular activities have also equipped me with integrated learning experience that prepared me for future challenges. I thank GHPS for making my school memories the best ones. ”
